

Dear Parent/Guardian:

This letter is intended for parents or guardians of children enrolled at a child care center. **Stepping Stone Day School** offers healthy meals to all enrolled children as part of our participation in the U.S. Department of Agriculture's (USDA) Child and Adult Care Food Program (CACFP). The CACFP provides reimbursements for healthy meals and snacks served to children enrolled in child care. Please help us comply with the requirements of the CACFP by completing the attached Confidential Income Statement. In addition, by filling out this form, we will be able to determine if your child(ren) qualifies for free or reduced price meals.

1. **Do I need to fill out a Confidential Income Statement for each of my children in day care?** Complete and submit one CACFP Confidential Income Statement for all children in your household only if they are enrolled in the same center. We cannot approve a form that is not complete, so be sure to read the instructions carefully and fill out all required information. Return the completed form to: **Stepping Stone Day School 503-665-1213 260 SW Towle Avenue Gresham, Oregon 97080.**
2. **Who is eligible for free meals without providing income information?** Children in households getting Supplemental Nutrition Assistance Program (SNAP), Temporary Assistance for Needy Families (TANF), or Food Distribution Program on Indian Reservations (FDPIR) are eligible for free meals. Foster children and children enrolled in Head Start based on income are also eligible for free meals. Children in households participating in WIC may be eligible for free meals.
3. **Who can get reduced price meals?** Your children can get low-cost meals if your household income is within the reduced price limits on the Federal Income Guidelines shown on this application. Children in households participating in WIC may be eligible for reduced price meals.
4. **May I fill out a form if someone in my household is not a U.S. citizen?** Yes. You or your children do not have to be U.S. citizens to qualify for meal benefits offered at the center or the day care home.
5. **Who should I include as members of my household?** You must include all people in your household (such as grandparents, other relatives, or friends who live with you) who shares income and expenses. You must include yourself and all children who live with you. You also may include foster children who live with you.
6. **How do I report income information and changes in employment status?** The income you report must be the total gross income listed by source for each household member received last month. If last month's income does not accurately reflect your circumstances, you may provide a projection of your monthly income. If no significant change has occurred, you may use last month's income as a basis to make this projection. If your household's income is equal to or less than the amounts indicated for your household's size on the attached Federal Income Guidelines, the family day care home or center will receive a higher level of reimbursement. Once properly approved for free or reduced price benefits, whether through income or providing a current SNAP, TANF, FDPIR case number, you will remain eligible for those benefits for a period not to exceed 12 months. You should, however, notify us if you or someone in your household becomes unemployed and the loss of income during the period of unemployment causes your household income to be within the eligibility guidelines.
7. **What if my income is not always the same?** List the amount that you normally earn. For example, if you normally earn \$1000 each month, but you missed some work last month and only earned \$900, put down that you earn \$1000 per month. If you normally earn overtime, include it, but not if you only earn it sometimes.
8. **What if I have foster child(ren)?** Foster children that are under the legal responsibility of a foster care agency or court are eligible for free meals. Any foster child in the household is eligible for free meals regardless of income. Households may include foster children on the confidential Income Statement, but are not required to include payments received for the foster child as income. Households wishing to apply for such benefits for foster children should contact **Stepping Stone Day School 260 SW Towle Avenue Gresham, Oregon 97080.**
9. **We are in the military; do we include our housing and supplemental allowances as income?** If your housing is part of the Military Housing Privatization Initiative and you receive the Family Subsistence Supplemental Allowance, do not include these allowances as income. Also, in regard to deployed service members, only that portion of a deployed service member's income made available by them or on their behalf to the household will be counted as income to the household. Combat Pay, including Deployment Extension Incentive Pay (DEIP) is also excluded and will not be counted as income to the household. All other allowances must be included in your gross income.
10. **Centers charging for meals only (Pricing programs only). Will the information I provide be verified? Maybe.** We may ask you to send written proof to verify the information you submitted on the form. **What if I disagree with the decision about the information I complete on this form?** You should talk to your sponsoring organization. You may ask for a hearing by calling or writing to:

In the operation of child feeding programs, no person will be discriminated against because of race, color, national origin, sex, age or disability.

If you have other questions or need help, call **503-665-1213.**

Sincerely,

## DETERMINING MONTHLY INCOME FOR EARNINGS & WAGES

Monthly income for all household members must be reported in Section 4 of this application. Income means any money regularly received from work, child support, alimony, pensions, retirements, social security or any other source. Exclude student/school loans. Money received from a business or farm owned by you should be reported as "net income". *Net Income is defined as the total income left after business and farm operating expenses are subtracted from gross receipts.*

Homeless, migrant and runaway youth are categorically eligible for free meals.

Household members who are not paid monthly should change earnings into monthly income by doing the following:

**Household members who are paid every week:** Multiply total earnings and wages for one pay period, before deductions, by 52. Then divide by 12. The resulting amount is the total monthly income.

**Household members who are paid every 2 weeks:** Multiply total earnings and wages for one pay period, before deductions, by 26. Then divide by 12. The resulting amount is the total monthly income.

**Household members who are paid twice a month:** Multiply total earnings and wages for one pay period, before deductions, by 24 then divide by 12. The resulting amount is the total monthly income.

**Household members who are seasonal workers or work less than 12 months:** Project annual rate of income to accurately represent actual circumstances then divide by 12. The resulting amount is the projected monthly income.
